## FEATURES

### Brief Description

The Boxwell Mobile Storage Cages with Doors are ideal as mobile shelving and transportation systems. With their steel mesh frame, contents inside are visible and are secure due to the fitted hasp and staple. The cage is made to the highest standard in the UK.

### Key Features

- Choice of addition shelves available (Steel or Plywood)
- Powder coated in a variety of different colours
- Manufactured in the UK
- Available in 3 heights: 1355, 1655 & 1955mm
- Easy reach access to items in the trolley
- Ideal for warehouses and distribution centres

### Product Performance

- Mobile on 2 fixed and 2 swivel heavy duty castors
- 100kg UDL load capacity per shelf
- 500kg overall load capacity

## DIMENSIONS
