

ARMOUR CLOAKROOM BENCHES

Brief Description

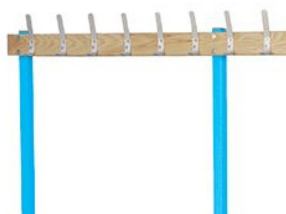

Our Armour cloakroom benches are available single or double sided. Both options are available in 3 widths and 6 colours. They are fitted with aluminium coat hooks on either one side, or both. The solid ash 20mm slatted seats are durable and strong to withstand busy environments. With a double sided bench, these seats are on both sides. The benches have adjustable feet for easy levelling on uneven ground, making them suitable for any environment.
