

# ARMOUR JUNIOR CLOAKROOM BENCHES

## Brief Description

Our Armour junior cloakroom benches are perfect for areas where younger children will use them. At a lower height, they are more accessible and easy to use. They are available single or double sided to suit the amount of user's that will use these benches. The heavy duty hanging hooks are available in a range of colours to create an eye-catching addition to your environment. They are manufactured with adjustable feet, making them easy to level on uneven ground.
