

PROBE ZENBOX ALUMINIUM LOCKERS

Brief Description

Probe Zenbox Aluminium Lockers are the perfect stylish storage solution for wet and dry areas. Such as leisure centres, swimming pools, spas and more. Their strong, corrosion proof, aluminium construction adds strength and stability to the body and hinges. They are designed for nesting with a flush, zero gap design. They are available with a cam lock or a hasp lock as standard, with upgrades available. Also available to add are sloping tops, to prevent a clutter free environment.
